Convenience Services

Online Bill Pay

Set Up Automatic Payments — Do you want the flexibility to pay anyone, at anytime, from anywhere? Our recently enhanced Online Bill Pay allows you to do just that. It also has features such as payment reminders and automatic payments. It is also a great way to keep track of your recent payment history. It's a snap. If you're comfortable using the Internet, you'll find it easy to use Bill Pay.

- It's fast. Once you've created your payee list, you'll be able to pay a whole month's bills in five minutes or less.
- It's secure. We've got the latest technology to keep your information safe.
- No need for stamps and envelopes. Just point, click and send.
- Pay bills anywhere. Do your bills at home, at work, or on the road. All you need is a computer with Internet access.
- Pay anyone. Send money to your cousin across country or pay dues to your health club down the street.
- Get organized. You can view a history of bills paid (sorted by date, payment amount or who you paid).
- Pre-pay bills if you're going to be gone. You pick the payment amount and the date you want it sent.
- Help is only a phone call away. We have friendly employees who can answer all your Bill Pay questions.
- You won't want to live without it. After a month of paying bills online, you'll never want to pay bills the old-fashioned way again!

FREE Internet Banking

Manage Your Accounts Anywhere / Anytime — With free Internet banking, you have control over nearly every aspect of managing your accounts. You can:

- View transaction history on your Internet Banking accounts.
- Transfer funds between your authorized Internet banking accounts.
- Pay one-time, occasional, and recurring payments online.
- Download account information into Quicken® or Microsoft® Money.
- Send and receive secure electronic messages to and from our financial institution.

To enroll in Online Banking and Mobile Banking, please visit our website www.bankoffarmington.com and select the "Enroll Now" option at the top right-hand side of the page. Please sign this letter below and return to the bank so we may confirm that you have requested the service and you have received our electronic internet banking disclosure. Upon receipt, we will activate your Access ID and Passcode within 3 business days. You can then download the Mobile Banking App from your app store and start using Mobile Banking right away.

Beginning on your activation date you will be able to start enjoying the many benefits of Bank of Farmington's Internet Banking service from any device that can connect to the Internet. The only restriction is that the "browser" that you use is capable of supporting secure transactions using SSL, such as Google Chrome or Internet Explorer and those provided by the major Internet Service Providers. Bank of Farmington's Internet Banking Service requires no special programs to be downloaded and is available 24 hours a day, from anywhere in the world.

With Internet Banking and Mobile Banking, you can view the balances on Bank of Farmington's checking, savings, CDs, IRAs, and loan accounts; see all the transactions that have been posted to the accounts in real time; download the transactions into spreadsheets; make transfers to other accounts within the financial institution; and receive a PDF copy of your bank statement. Other special features include our FREE bill payment service that lets you schedule a payment to be sent to an unlimited number of vendors or payees. The system has many other convenient services such as secure messages, stop payments, check orders and changing your address online!

We hope that our On-line service provides you with another convenient solution to your financial needs.
