S&H SOLUTIONS PROVIDES GREENPOINTS MEMBERS WITH RESTAURANT DINING OPTIONS AT DISCOUNTED PRICES

Delray Beach, FL—S&H Solutions announces their new greenpoints Dining Connection program and partnership with Restaurant.com. Greenpoints members can now earn greenpoints for dining out and at a substantially discounted price. By purchasing dining gift certificates through www.greenpoints.com, members can earn 50 greenpoints per dollar spent. At a price of only \$10 per \$25 dining gift certificate, members are able to quickly earn 500 points and save \$15 per certificate.

“With over 6,000 participating restaurants in the U.S., we feel this dining partnership gives our greenpoints members even more choices. We strive to continually build relevant offerings for greenpoints members across the country,” stated Kimberly Mernovage, VP Marketing, S&H Solutions.

It’s easy to purchase the dining certificates. Just log onto www.greenpoints.com and click on the Dining Connection link. Once in, select your location and choose the restaurants of your choice. The Dining Connection capability is so instant that you can immediately print the certificates right from your computer upon purchase. Take your certificate to the restaurant with you and enjoy. Bon Appetit!

About S&H Solutions

S&H Solutions is one of the country’s leading customer-based retail solutions providers. The company offers a comprehensive range of powerful and adaptable loyalty marketing proprietary technology and services. S&H, Green Stamps, S&H greenpoints and greenpoints are registered service marks and S&H Solutions is a service mark of The Sperry and Hutchinson Company, Inc. Additional information is available at www.shsolutions.com.

About S&H Greenpoints®

S&H Greenpoints® is the digital reinvention of S&H Green Stamps. S&H's digital greenpoints currency offers all the benefits of stamps - without the licking and sticking. Greenpoints can be redeemed for any of hundreds of catalog items, or for free or discounted food items in store. Additional information is available at www.greenpoints.com.
